

with a single threshold process. The single threshold will allow Federal funding to be available when the cost of a single declared event exceeds the State's annual floor cost; the State costs greater than the floor cost will be available for funding at not less than 75 percent. Any federal fire declarations for the remainder of that calendar year will receive funding at not less than 75 percent of the costs.

This amendment would not change any provisions (e.g., eligibility, application, administrative planning, payment of claims, or appeals) in the Stafford Act nor in the fire suppression assistance regulations at 44 CFR part 206, subpart L.
